Nebraska Licensing Requirements How to Apply for Nebraska Tax Programs

PART I: The Nebraska Tax Application, Form 20, is used for the following tax programs:

Sales and Use Tax

- **Sales Tax Permit:** Every person engaged in business as a retailer making retail sales of goods or taxable services in Nebraska must obtain a sales tax permit for each location in this state. Engaged in business in this state means and includes any of the following:
 - Maintaining, occupying, or using permanently or temporarily, directly or indirectly, or through an agent, by whatever name called, an office, place of distribution, sales or sample room or place, warehouse, or storage place or other place of business in this state;
 - Having any representatives, agents, salesmen, canvassers, or solicitors operating in this state under the authority of the retailer or a subsidiary of the retailer for the purposes of selling, delivering, or taking of orders for any property or taxable services;
 - Deriving receipts from the rental or lease of property in this state;
 - Soliciting retail sales of property or taxable services from residents of this state on a continuous, regular, or systematic basis by means of advertising which is broadcast from or relayed from a transmitter within this state or distributed from a location within this state;
 - Soliciting orders from residents of this state for property
 or taxable services by mail, if the solicitations are
 continuous, regular, seasonal, or systematic and if the
 retailer benefits from any banking, financing, debt
 collection, or marketing activities occurring in this
 state or benefits from the location in this state of
 authorized installation, servicing, or repair facilities;
 - Being owned or controlled by the same interests which own or control any retailer engaged in business in the same or similar line of business in this state; or
 - Maintaining or having a franchisee or licensee operating under the retailer's trade name in this state if the franchisee or licensee is required to collect the tax under the Nebraska Revenue Act of 1967.

Any retailer having at least 80 percent ownership in more than one licensed location making retail sales in Nebraska may apply for permission to file a combined sales tax return by filing a Nebraska Application for Permission to File a Monthly Combined Sales and Use Tax or a Combined Annual Litter Fee Return, Form 11.

Sales taxes collected by retailers belong to the state. All sales taxes collected must be deposited into a separate account and may not be commingled with any other business receipts.

■ Consumer's Use Tax: Every person or business storing, distributing, using or consuming property or making a use of taxable services in Nebraska is subject to consumer's use tax when the applicable Nebraska sales tax has not been paid. The tax is remitted directly to the Department either on the sales tax return or on a separate use tax return.

Retailer's Use Tax: Out-of-state sellers who have no obligation to register for collection of the Nebraska sales tax because of insufficient contact with this state may, as a service to their Nebraska customers, obtain a Retailer's Use Tax Permit. With such a permit, sellers can collect and remit the appropriate tax for their Nebraska customers. Otherwise, the customer is liable for consumer's use tax. (See Sales Tax Permit criteria.)

Permitholders who file a monthly or quarterly Nebraska and Local Sales and Use Tax Return, Form 10, may qualify to file their return over the Internet. Go to our Web site at: www.revenue.state.ne.us for further information regarding online filing.

Income Tax

- **Withholding:** An individual or entity with an office or conducting business in Nebraska and considered an employer for federal purposes must apply for a withholding certificate prior to withholding income taxes for Nebraska. This includes payments made to all employees, including nonresidents, for services performed in Nebraska. Withholding may also be required when paying a nonresident of Nebraska, for services performed in Nebraska, who is not an employee. Gambling winnings and other payments that are subject to federal withholding are included in the term "wages" and are subject to Nebraska withholding. Nebraska income tax must also be withheld on pension and annuity payments when the recipient or payee requests that the payor withhold such tax. All income tax withholding amounts are the property of the state. This money MUST be deposited in a separate account and may not be commingled with any other business receipts.
- Corporation Income Tax: Every entity subject to federal corporate income tax and engaged in business in Nebraska or having sources of income from Nebraska must file a Nebraska Corporation Income Tax Return, Form 1120N. Insurance companies and certain nonprofit organizations filing Federal Forms 990-T, 1120H, or 1120POL, also must file Form 1120N. Corporations which have elected to file under Subchapter S of the Internal Revenue Code must file a Nebraska S Corporation Income Tax Return, Form 1120-SN, unless all shareholders are Nebraska residents, and all income is derived from Nebraska sources.
- Partnership Income Tax: The Nebraska Partnership Return of Income, Form 1065N, must be completed by every partnership that has one or more nonresident partners or income derived from outside of Nebraska. A partnership return is **not** required if all partners are residents of Nebraska, and all income is derived from Nebraska sources. A limited liability company treated federally as a partnership will also file a Nebraska partnership return.
- Fiduciary Income Tax: Every fiduciary of a resident estate or trust must file a Nebraska Fiduciary Income Tax Return, Form 1041N, if the estate or trust is required to file a federal income tax return for the taxable year. A fiduciary return is **not** required for a simple trust if all of the trust's beneficiaries are residents of Nebraska, all of the trust's

income is derived from sources in Nebraska, and the trust has no federal taxable income.

■ Financial Institution Tax: Every financial institution which maintains a permanent place of business in Nebraska and actively solicits deposits from Nebraska residents must file a Nebraska Financial Institution Tax Return, Form 1120NF. A financial institution does not file a Nebraska Corporation Income Tax Return.

Miscellaneous Taxes
